

## **2-3 World Citizens - \$70**

**Instructor: McGrath**

**Grab your passport and get ready to travel the globe! In this class we will embark on a fantastic voyage around the world, making many stops along the way. Students will study a new country each week, using diverse activities to be introduced to the geography, culture, and history of each location. Activities will include: reading aloud, culture exploration, food sampling (*parents will be notified ahead of time for all snacks to check for allergens*), learning greetings in native languages, creating crafts, map work, flag study & creation, and so much more! Bon voyage! (*Independent reading is not required for participation in this class.*)**
